

BHARTI OVERSEAS

AN ISO 9001:2008 CERTIFIED COMPANY

BRIEF HISTORY

We feel Pleasure in introducing ourselves as one of the Leading manufactures of Hot Dip Galvanized Bolts, Nut,s & Washers.Our brief history is as follows. Mr. Anil Bharti after attaining education of B.Com & C.A.entered into Business in the year 1985 as his ancestral business. With his excellent foresight, initiative and hard work he established a fastners unit in the name & style of Lakshmi fastners.

Since its incorporation in the year 1986 the unit grew very rapidly and mainly covered the Indian market demand for fastners under the supervisions and guidance of qualified Technical Staff. During this period Mr.Sanjeev Bharti,after completing his graduation ,also joined the family business with the team effort, very soon, the company attained a good name in the northen region.

In 1992 a new unit in the name & style of parkash engineers, was established to meet with the growing overseas demand of bolts, nuts, fully threaded rods, studs, u with very strict quality parameters having its own fully equipped laboratory approved by Indian and international standards.

It was in the year 2004 that Bharti Overseas came into existence with the aim of Manufacturing complete range of fastners, used by Transmissin Line Tower manufactures.Keeping pace with demand,the company kept continued developing further by establishing adequate testing facilities and R&D section to maintain strict qualitystandards.

Bharti brothers have widely travelled many countries to study the technological up gradation in the nut,s bolts sector and have implemented the same in their unit, the Company, also, is having an ISO 9001: 2008 certification .

At present M/S bharti overseas is also having B.I.S certificate (I.S.I) as well as an Approval from the Power Grid Corporation Of India Ltd as a Sub Vendor for the Supply of Hot Dip Galvanized Bolts Nuts & Washer . We are also approved suppliers for.
